..... *How to*

MAKE A SNOWFLAKE

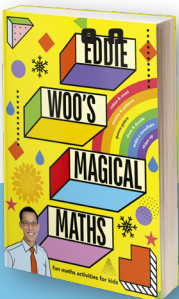

You will need

A sheet of A4 paper

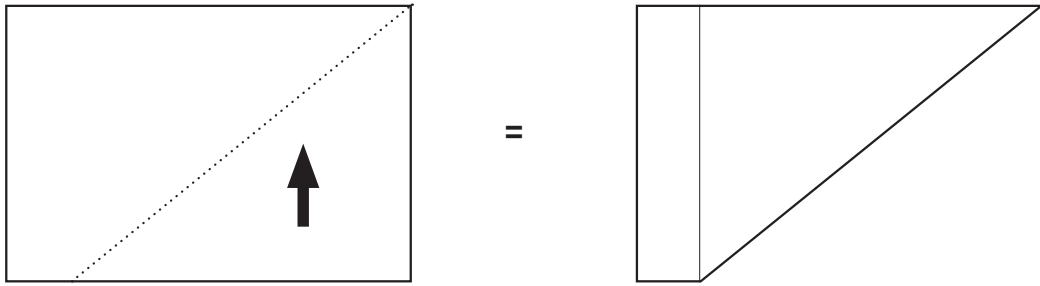

A pair of scissors

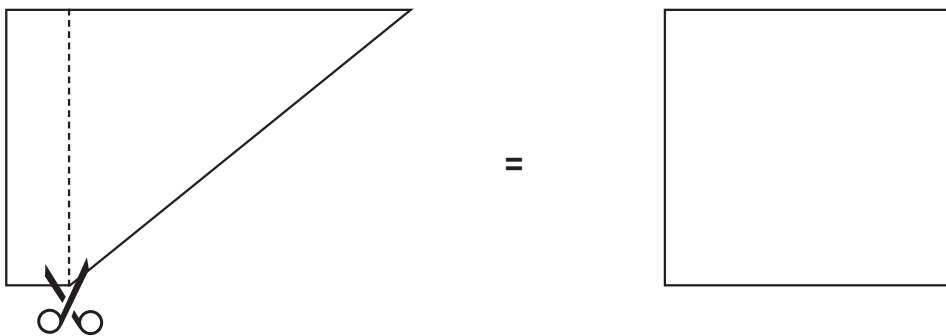

Love these educational activities?
Find more in *Eddie Woo's Magical Maths*

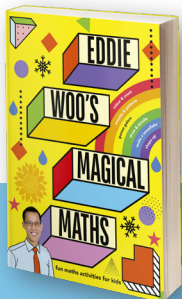

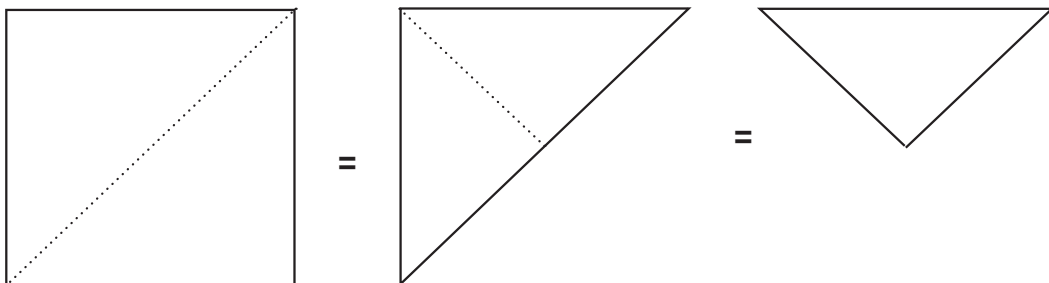

1. Fold your paper.

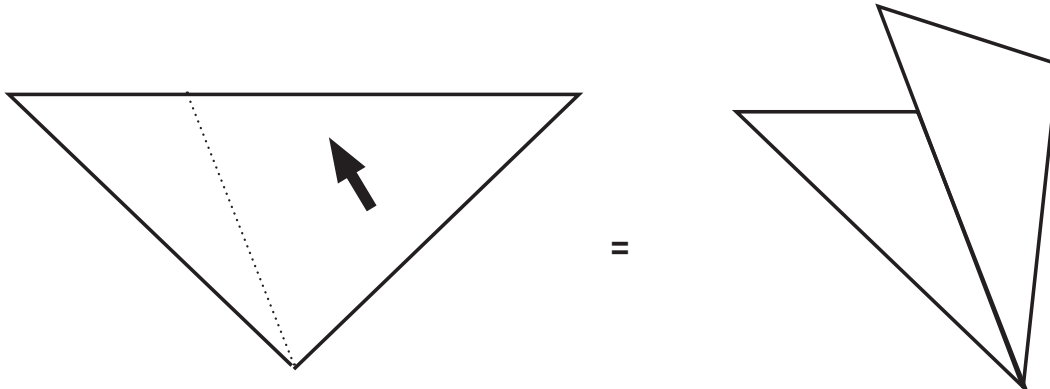

2. Cut the excess paper to make a perfect square.

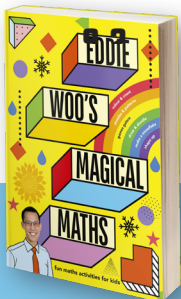

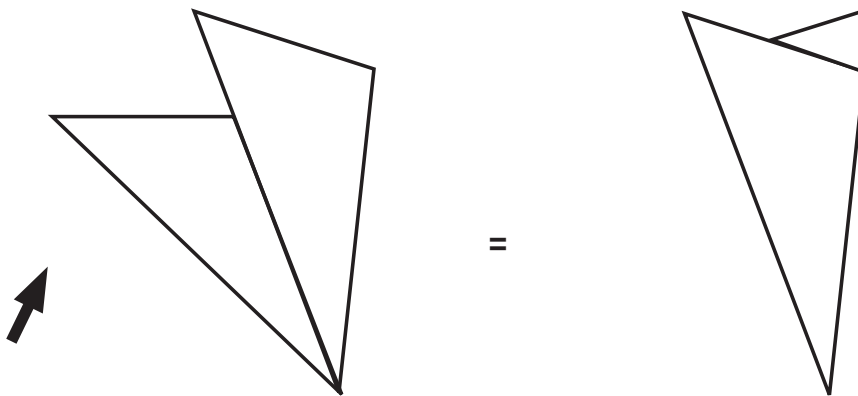

3. Fold the square into a triangle, and then a smaller triangle.

4. Fold the right corner of the triangle into two smaller triangles.

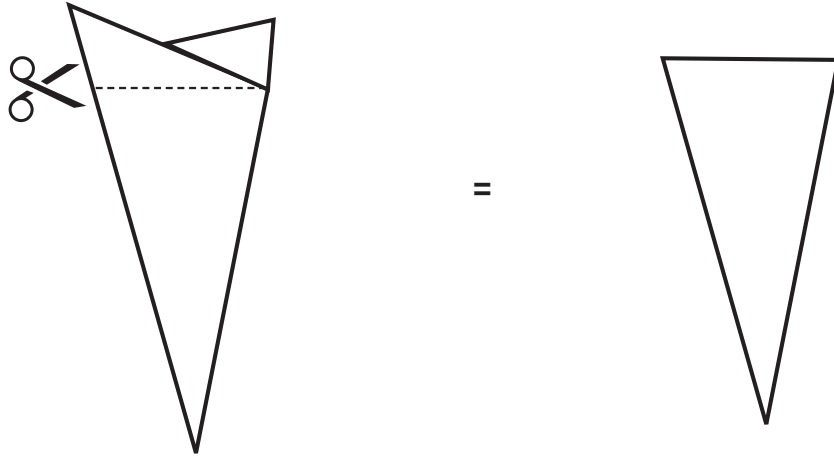

5. Repeat on the left side.
